

TARGET

DESCRIPTION

TARGET is designed for tough jobs. It instantly dissolves and emulsifies heavy grease, carbon deposits, rubber burns, soap scum, oxidized waxes, oil, ink, and dirt accumulations. This economical product can be diluted with up to 100 parts water and be very effective. Perfect for hand or mopping operations, automatic scrubbers, and pressure washers. Versatile, this product's superior grease and soil penetration and retention enable it to be used for everything from light cleaning to heavy duty degreasing. It also destroys odors, not just masks them, and continues to do so -- a residual effect!

FEATURES

- Heavy duty, fast, very effective
- Economical, highly concentrated
- No harmful vapors, harsh acids, or solvents
- Very effective deodorant action
- Removes heavy grease deposits
- Penetrates any wax or finish buildup
- Lifts baked-on carbon deposits
- Nonflammable, non-corrosive, biodegradable
- Works well in hard, soft, warm or cold water
- USDA approved - contains no butyl

PHYSICAL PROPERTIES

Form:	<i>Liquid</i>	Appearance:	<i>Pale green</i>
Viscosity:	<i>10 cps</i>	Specific gravity:	<i>1.07</i>
Solubility in water:	<i>100%</i>	pH @ 5% solution:	<i>12.6</i>
Flash point:	<i>None</i>	Odor:	<i>Pleasant</i>

DIRECTIONS FOR USE

✓DILUTE WITH WATER

Floors, walls, and general maintenance	Light soil -- as high as 1 to 100 Medium soil -- 1 to 20 Heavy soil -- 1 to 10
